NEWS RELEASE

Long Range Appoints Vice President Exploration And Board Of Directors Member

CALGARY, ALBERTA – August 30, 2022 – Long Range Exploration Corporation ("LREX" or the "Company") is pleased to announce that it has appointed Mr. Colin James Davies as Vice President of Exploration and a member of the Company's Board of Directors.

Mr. Davies is a structural geologist with almost 40 years of work experience in gold exploration discovery across the globe. He holds a BSc (honours) degree in Geology from the University of Cardiff followed by 3-years of post-graduate research at Leeds University, UK. Colin is a senior executive with broad-based international experience in exploration, business development, acquisitions, and planning. He has worked with numerous junior and senior mining and exploration companies over his career.

Darrell Brown, Chief Executive Officer of LREX, commented, *"We are extremely pleased to have Colin join our Company as Vice President Exploration and Director. His experience and career accomplishments are a welcome addition to the Company and will have an immediate impact to strengthen our team. His enthusiasm of the exploration potential for the Simms Ridge Property is something we share with Colin."*

Colin Davies, Director & VP Exploration of LREX, commented, *"The opportunity to work in Newfoundland on structurally controlled orogenic gold deposits is a dream come true. With the recent consolidation of the Simms Ridge Property claims package, the Company can now systematically assess the numerous gold showings into a working tectonic model to find the next gold discovery in this very prospective terrane."*
